37th ANNUAL

OPEN STUDIOS

Napa Valley

Open Studios Napa Valley is a free, self-guided art discovery tour which takes place over two weekends. Sixty-nine artists are participating this year at 43 studio locations.

Whether you're an avid collector or just curious about art, this is your opportunity to peer into the creative spaces of Napa Valley, meet the artists, watch demonstrations and buy local art right from the source!

Napa Valley Open Studios is presented as a collaborative effort by the participating artists of Art Association Napa Valley. The program exists because the artists believe in the value of opening their studios to visitors and sharing a unique artistic experience.

69 ARTISTS, 43 STUDIO LOCATIONS!
September 20-21 and 27-28 | 10am-5pm

Cover Artist: A. Cort Sinnes

A. Cort Sinnes is self-taught, Napa native who discovered the pleasures of painting with gouache during the Covid shutdown. He combined this discovery with his love of the natural world, and surprised himself a series of dramatic flower portraits with distinctive black backgrounds.
